

Position: Analysts

We are currently recruiting dynamic Analysts to join our team. Do you want to be part of a team where you shall be able to leverage your skills for our clients? Our range of clients will provide you with the right exposure to the local and international stock markets.

Requirements for the position:

- Degree Holder in Finance/Mathematics/Economics, or equivalent qualification;
- Started CFA studies or completed Level 1 would be a plus;
- 1-3 years work experience in the investment industry would be a definite advantage;
- Strong analytical and quantitative skills;
- Microsoft Office skills;
- Ability to write in a concise and precise manner;
- A can-do attitude;
- Articulate and good communication skills;
- Meticulous and keen eye for details;
- Thrives in a fast-paced environment;

If you meet the above requirements, we would love to meet you.
